

true_type

```
graph BT; A[nlohmann::detail::is_basic_json< NLOHMANN_BASIC_JSON_TPL >] --> B[true_type];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box representing the base class, containing the text `nlohmann::detail::is_basic_json< NLOHMANN_BASIC_JSON_TPL >`. A blue arrow points upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box represents the derived class and contains the text `true_type`. The white box is divided into three horizontal sections by thin gray lines.
